ILLINOIS TECH

Elevate College Prep

INSPIRING THE NEXT GENERATION OF CYBER DEFENDERS!

Illinois Tech's GenCyber Elevate+ program aims to spark and sustain cybersecurity awareness among Chicago Public School (CPS) students and to increase student diversity in college cybersecurity and career readiness pathways.

CPS students who are rising 10th through 12th graders are eligible to participate in this program, which is a summer 2025 residential camp that will take place July 21–25, 2025. The camp experience is **free** of cost for participants.

SPOTS IN THE PROGRAM ARE LIMITED, SO APPLY TODAY.

**APPLICATION DEADLINE
MARCH 31, 2025**
